

## The Aims of Lister Housing Co-operative

1. To provide housing for its members in Central Edinburgh in or near to Lauriston Place.
2. To provide housing for people in housing need including those homeless & those in medical need.
3. The client group to be those requiring 'general needs' housing and to have a range of flat sizes and types including amenity flats, wheelchair flats and shared housing for single persons.
4. Such housing to be at affordable rents.
5. Such housing to be of good quality and maintained to a high standard.
6. To provide an accessible, responsive and caring housing service.
7. The housing to be under its members control & be democratically run without any discrimination.
8. To promote the development of the community at Lister and with its neighbours.
