Single parent/couple four children BGGG, BBBG								✓

NOTES

- Households with special medical or other needs may need a different sized property compared to the table above.
- Lister, when considering allocating vacant flats, does not allow two children of the opposite sex to share a bedroom whatever their ages. Families with a boy and a girl only would be considered for a 3 bed flat. This is because most families stay with us for a long time and this is to avoid them having to move again as their children grow older.
