

LISTER HOUSING CO-OPERATIVE LTD

Landlord report How Lister performed in 2022-23 as reported to the Scottish Housing Regulator (SHR)

Lister Housing Co-operative Ltd

The SHR's role is to protect the interests of tenants and other people who use the services of social landlords. The Scottish Social Housing Charter sets out the standards and outcomes that landlords should achieve. Each year, the SHR requires Lister and other social landlords to report on their performance against the Charter.

At 31 March 2022 Lister owned 185 homes. The total rent due to Lister for the year was £849,334. Lister increased its weekly rent on average by 4.12% from 2021-22.
